

Certificate of Renewable Energy

This is to confirm that

Sekkingstad AS

purchases 100 % renewable energy from Fjordkraft AS

Renewable energy from Fjordkraft AS holds a certificate of origin and is 100 % pure hydropower produced at Norwegian hydropower plants.

Statnett SF has been appointed by Norwegian authorities to issue certificates of origin to producers of renewable energy. Statkraft Energi AS guarantees that electric energy corresponding with the company's consumption, is reserved exclusively for Fjordkraft AS.
